

SEQUENCE

The Sequence Peer Recognition Program was created for 2017 to allow members of the Sequence team to acknowledge their peers' demonstration of the company's Values in the workplace. Beginning in February, employees of Sequence will be able to nominate their fellow peers for an award each month through November, with prize money for both the nominee and the nominator. The program will culminate with a final drawing in December for all nominees and nominators who participated, regardless of whether they were selected for the monthly prize. It's a great opportunity to recognize those who are demonstrating our company values!

Rules (aka "the fine print"):

- ▶ The program is open to all employees of Sequence, except for Managers, Associate Directors / Directors, members of the Executive Team and Human Resources .
- ▶ When nominating an employee, one or more Value must be selected describing the Value(s) the particular employee exemplifies .
- ▶ Employees must be with the company for more than six months before they are eligible for nomination .
- ▶ Winners will be selected by the Peer Recognition Program panel (made up of members of HR and the Executive Team) .
- ▶ Payment for the winner each month will be \$200, and the nominator of the winner will win \$50 .
- ▶ The Annual drawing will take place in December. Each nominee and nominator will be given one "ticket" into a drawing. first place prize is \$1000 and second place prize is \$250! (Regardless of how many times they won!).
