

Blue Options HSA^{SM*} Proposal for SEQUENCE, INC

Effective 01/2017

**Prepared by
ALAN OVERBEY
Prospect Number 294813**

Combo#: 323725

*The Blue Option HSA plan is intended to be a high deductible health plan (HDHP) that qualifies its members to contribute to a health savings account (HSA), unless its members are otherwise ineligible under applicable federal requirements. Please consult a qualified tax advisor if you are unsure about whether or not you are ineligible. In addition, the DEDUCTIBLE and OUT-OF-POCKET LIMIT amounts listed in the Summary Of Benefits may be revised each year in accordance with Internal Revenue Service (IRS) rulings.

The benefit highlight is a summary of Blue Options HSA benefits. This is meant only to be a summary. You will also be receiving a Summary of Benefits and Coverage document (referred to as an SBC) required under Health Care Reform. Both documents are provided as a convenience to compare available health plan coverage options. Final interpretation of the Blue Options HSA health plan and a complete listing of benefits and what is not covered are found in and governed by the group contract and benefit booklet. You may preview the benefit booklet by requesting a copy of the Blue Options HSA benefit booklet from BCBSNC Customer Services. The HSA is provided to you directly by a separate HSA Administrator. Detailed information regarding your HSA is provided by that Administrator.

Pharmacy deductible (if applicable), co-pays and coinsurance count towards true out-of-pocket limit.

Blue Options HSASM Benefit Highlights (HSA)

The coinsurance amounts that appear on this benefit highlight represent Plan responsibility. The coinsurance amounts that display in the benefit booklet represent member responsibility.

---	---------------------	---------------------

¹NOTICE: If you selected Employee Only Coverage, the Employee Deductible and Out-Of-Pocket Limit will apply. If you selected Family Coverage, either the Family Member or Family Total Deductible and Out-of-Pocket Limit will apply. All covered family members contribute to the same Family Total Deductible and the same Family Total Out-of-Pocket Limit, however any individual Family Member who reaches his or her Family Member Deductible and Out-Of-Pocket Limit will have the benefit levels for each apply to them only, and not the entire Family. The Family Total Deductible and Out-Of-Pocket Limit must be met before the respective benefit levels for each are payable for all Family Members, regardless of whether each individual Family Member's Deductible and Out-Of-Pocket Limit has been met.

²NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage amount because actual provider charges may not be used to determine the payment obligations for BCBSNC and its members.

ADDITIONAL INFORMATION ABOUT BLUE OPTIONS HSA FROM BCBSNC

Benefit Period

The period of time, usually 12 months as stated in the group contract, during which charges for covered services provided to a member must be incurred in order to be eligible for payment by BCBSNC. A charge shall be considered incurred on the date the service or supply was provided to a member.

Allowed Amount

The maximum amount that BCBSNC determines is to be paid for covered services provided to a member.

Out-of-Pocket Limit

The dollar amount you pay for covered services in a benefit period before BCBSNC pays 100% of covered services. It includes deductible, coinsurance and copayments. It does not include charges over the allowed amount, premiums, and charges for non-covered services.

Day and Visit Maximums

All day and visit maximums are on a combined In- and Out-of-Network basis.

Utilization Management

To make sure you have access to high quality, cost-effective health care, we manage utilization through a variety of programs including certification, transplant management, concurrent and retrospective review and care management.

If you have a concern regarding the final determination of your care, you have the right to appeal the decision. If you would like a copy of a benefit booklet providing more information about our Utilization Management programs, call the toll free number listed in your information packet.

Certification

Certification is a program designed to make sure that your care is given in a cost effective setting and efficient manner.

If you need to be hospitalized, you must obtain certification. Non-emergency and non-maternity hospital admissions must be certified prior to the hospitalization. If the admission is not certified, the claim will be denied.

For maternity admissions, your provider is not required to obtain certification from BCBSNC for prescribing a length of stay up to 48 hours for a normal vaginal delivery, or up to 96 hours for delivery by cesarean section. You or your provider must request certification for coverage for additional days, which will be given by BCBSNC, if medically necessary.

All inpatient and certain outpatient Mental Health and Substance Abuse services and all Adaptive Behavior Treatment must be certified in advance by Magellan Behavioral Health. Call Magellan Behavioral Health at 1-800-359-2422. Mental Health and Substance Abuse office visits do not require certification.

In-network providers are responsible for obtaining certifications. The member will bear no financial penalties if the in-network provider fails to obtain the appropriate authorization. The member is responsible for obtaining certification for services rendered by an out-of-network or out-of-state provider.

Health and Wellness Program

Because we want to help you stay healthy, we offer many wellness benefits and services, including Health Line BlueSM - our 24-hour nurse support line. We also provide wellness programs for prenatal care and for chronic condition management, plus a variety of health tools and trackers at BlueConnectNC.com. We're making it easier than ever for you to take charge of your health.

What is Not Covered?

The following are summaries of some of the coverage restrictions. A full explanation and listing of restrictions will be found in your benefit booklet.

Your health benefit plan does not cover services, supplies, drugs or charges that are:

- Not medically necessary
- For injury or illness resulting from an act of war
- For personal hygiene and convenience items
- For inpatient admissions that are primarily for diagnostic studies
- For palliative or cosmetic foot care
- For investigative or experimental purposes
- For hearing aids or tinnitus maskers, except as specifically covered by the benefit plan
- For cosmetic services or cosmetic surgery
- For custodial care, domiciliary care or rest cures
- For treatment of obesity, except for surgical treatment of morbid obesity
- For reversal of sterilization
- For treatment of sexual dysfunction not related to organic disease
- For assisted reproductive technologies as defined by the Centers for Disease Control and Prevention
- For self-injectable drugs in the provider's office

Health Savings Account

Blue Options HSA is not a Health Savings Account (HSA), but it instead is a health insurance plan intended to be paired with an HSA. The HSA is provided to you directly by a separate HSA Administrator. An HSA is a savings vehicle for medical care expenses. It helps to pay the expenses that insurance does not pay. Individuals and employers can contribute money into an HSA on a tax-deductible or pre-tax basis for individuals. If used to pay for qualified health care expenses, your HSA account's growth and use is tax-free. In addition, HSAs roll over from year to year and are fully portable if an individual changes jobs. HSAs can only be opened by and contributed to on behalf of individuals who are covered under a qualified High Deductible Health Plan (HDHP). For more information on your HSA eligibility if you have other, additional health coverage, consult your tax advisor.

Flexible Spending Account

A Flexible Spending Account (FSA) is established by your employer and separately administered by BCBSNC. An FSA helps participants pay for medical and dependent care expenses. Participants contribute money pre-tax into an FSA, to help pay the medical expenses that insurance does not pay and get reimbursed for dependent care expenses. Your detailed FSA information shall be provided separately.
