1. **Definitions.** The term "Purchaser" shall refer to United Therapeutics Corporation, a Delaware corporation with offices at 1040 Spring Street, Silver Spring, MD 20910, together with its wholly-owned subsidiaries, including Lung Biotechnology PBC. The term "Supplier" shall refer to the vendor designated on the face hereof and shall also include its employees, subcontractors, independent contractors and all other persons performing any type of work under this Purchase Order, including these Terms and Conditions ("PO"). The term "good(s)" shall refer to the materials, supplies, items and equipment covered by this PO. The term "services" shall refer to the work and/or services covered by this PO. The term "master agreement" refers to any currently-effective master services agreement, supply agreement or similarly-titled document between Purchaser and Seller providing terms and conditions applicable to the purchase of goods or services.
2. **Acceptance.** Supplier must accept this PO in writing. If Supplier fails to accept in writing, any conduct by Supplier that recognizes the existence of a contract pertaining to the subject matter hereof (including performance of services or provision of goods indicated on the face hereof) shall constitute an acceptance by Supplier of this PO. Any terms proposed in Supplier's acceptance of Purchaser's offer that add to, vary from, or conflict with these Terms and Conditions are hereby objected to and shall not apply. If this PO has been issued by Purchaser in response to an offer, and if any of these Terms and Conditions are additional to or different from any terms of such offer, then the issuance of this PO by Purchaser shall constitute an acceptance of such offer subject to the express condition that Supplier assent to these additional and different Terms and Conditions, and Supplier shall be deemed to have so assented unless Supplier notifies Purchaser to the contrary in writing within ten (10) days of receipt of this PO. Any "click-wrap", "shrink-wrap" or other preprinted terms and conditions provided by Supplier shall be void and of no effect.
3. **Entire Agreement.** This PO, together with the terms contained herein and on the face hereof, together with any master agreement applicable to the goods or services purchased hereunder and any specifications, exhibits or amendments that may be referred to or attached hereto, sets forth the complete and final agreement between the parties with respect to the subject matter hereof, and supersedes any and all prior or contemporaneous oral or written communications relating thereto. If this PO is used as a release for goods or services under a preexisting master agreement, then the Terms and Conditions of this PO shall supplement the provisions of such master agreement to the extent they are not inconsistent. In the event of any inconsistency between the terms of any preexisting master agreement, the terms on the face of this PO or these pre-printed Terms and Conditions, the following shall be the order of precedence: (i) the terms of the master agreement, (ii) the terms on the face of the PO, and (iii) these pre-printed Terms and Conditions. Any reference to a proposal, quotation or other communication by Supplier shall, unless indicated to the contrary, be limited to the description of the goods or services and by the terms set forth or incorporated by reference herein. The failure of Purchaser to insist on performance of any provision hereof shall not be construed to be a waiver of such provision or any part thereof.
4. **Prices.** The price(s) set forth on the face of this PO are firm, and are not subject to increase.
5. **Taxes.** The prices for the goods or services provided hereunder include all Federal, state and local taxes imposed upon or on account of such sale, unless otherwise indicated on the face of this PO.

In addition to any other information specified elsewhere herein, invoices and packing slips shall contain the following information: PO number, item number, description of goods and services, sizes, quantities, weight, unit prices and extended totals.
7. **Payment.** Purchaser shall make payment for goods and services within sixty (60) days after receipt of invoice and delivery and acceptance of the goods or complete performance of the services, unless different terms have been stated on the face of this PO. Payment of an invoice shall not constitute acceptance of goods or services and shall be subject to adjustment for errors, shortages, defects in the goods or services, damage to Purchaser for which Supplier is partially or wholly responsible, or other failure of Supplier to meet the requirements of the PO.
8. **Delivery.** Time is of the essence and the goods must be received or services performed on the dates and at the destination(s) set forth on the face hereof. If Supplier fails to meet any such delivery date, Purchaser may, without limiting its other rights and remedies, direct expedited routing, charge excess costs incurred thereby to Supplier, or cancel all or part of this PO. All rejected or over-run goods and material with Purchaser's printing or identification must be destroyed by Supplier at Supplier's expense and not sold as surplus.

9. Freight; Title and Risk of Loss. Unless otherwise specifically provided for herein, Supplier shall be responsible for freight and delivery to the destination specified on the face of this PO, and all freight and delivery charges will be paid by Supplier. Notwithstanding anything else herein, Supplier shall bear all risks of loss and damage to the goods until final acceptance by Purchaser at Purchaser's "ship to" destination specified on the face of this PO. Further, Supplier shall bear the same risks with respect to any goods rejected by Purchaser or as to which Purchaser has revoked its acceptance, from the time of such rejection or revocation.

10. Inspection.

- 10.1. Notwithstanding any prior inspections or payments hereunder, all goods and services shall be subject to final inspection, which may include measurement, testing or examination, and acceptance at Purchaser's facility within a reasonable time (but not less than 90 days) after receipt at destination. Any inspection by Purchaser does not relieve Supplier of any obligations or liabilities under this PO.
- 10.2. If any goods or services delivered do not meet all of the requirements of this PO, Purchaser shall have the right to reject such goods or services and return such goods at Supplier's expense. Purchaser may elect to reject the entire goods or services tendered even if only a portion thereof is nonconforming.
